Horizontal lines forming a list-like structure, possibly a table of contents or a list of items. The lines are of varying lengths and are arranged in a somewhat regular, repeating pattern.

The diagram consists of 46 horizontal black lines of varying lengths, stacked vertically on the left side of the page. The lines are arranged in several groups:

- A group of 11 lines at the top, with the longest line at the top and lengths decreasing towards the bottom of the group.
- A group of 8 lines below that, with lengths that increase from top to bottom.
- A group of 12 lines below that, with lengths that decrease from top to bottom.
- A group of 15 lines at the bottom, with lengths that increase from top to bottom.

Horizontal lines on the left side of the page, likely representing a list or table structure. The lines vary in length and are stacked vertically, suggesting a list of items or a column of data.

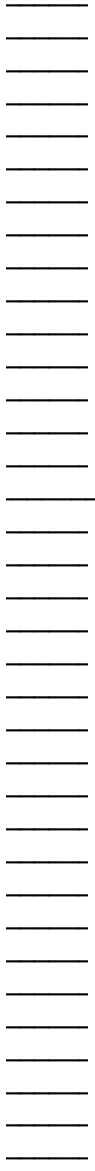

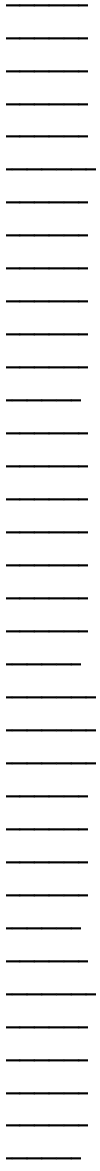

A series of 22 horizontal lines of varying lengths, each with a small vertical tick mark at its left end. The lines are arranged in a roughly vertical column on the left side of the page. The lengths of the lines vary, with some being significantly longer than others. The tick marks are all oriented in the same direction (pointing to the right).

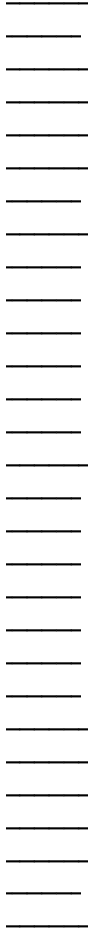

Horizontal lines arranged in a list on the left side of the page. The lines vary in length and are grouped into several distinct clusters. There are 13 lines in the first cluster, 8 lines in the second, 12 lines in the third, 8 lines in the fourth, 8 lines in the fifth, 8 lines in the sixth, 8 lines in the seventh, and 5 lines in the eighth.
