Letter of Commitment for project SMARTEES

We would like to confirm that we agree to take part as Case study in the SMARTEES Project funded under the Horizon 2020 programme "*Social innovation Modelling Approaches to Realizing Transition to Energy Efficiency and Sustainability*", assuming that the project is approved for funding and implementation in the framework of the European Commission.

Municipality of Timișoara is committed to take part actively as Case Study, in the SMARTEES Project, by:

- Sharing knowledge on solutions and ideas,
- Taking part in events and consortia meetings,
- Spread the ideas and knowledge coming out of the project with our networks,
- Sharing data for modeling purposes,
- Participating in discussions and interviews with researchers.

SMARTEES is aligned with the Municipality of Timișoara's visions and priorities, and we strongly support the project proposal and look forward to raising awareness of the project's results throughout the European interests groups concerning "Social Innovation Modelling Approaches to Realizing Transitions to Energy Efficiency and Sustainability".

We are convinced that the proposed activity will have a significant impact on the state of the art in the field of Energy efficiency, participatory processes, sustainability, and will contribute to enhance the scientific excellence of the European Union.

Yours sincerely,

Nicolae ROBU
Mayor of Timișoara
